JUNE 2010

## Challenging the Brain

While those of us here in the Lester community have always known it is never too late to learn, society on the whole is just beginning to find this out. With Lester's institution of an adult education series, we have inspired the greater community around us to jump on this band wagon. JCHC University is now in full swing, serving all five JCHC buildings with opportunities for higher learning.

Has this trend we started spread beyond the Senior community of MetroWest New Jersey? It is starting to, with more

and more opportunities popping up in educational institutions around the country. Is it worth the effort? That is for you to decide, but if you look around Lester, the answer is clear...YES! We may no longer be in the state of mind of text books, notebooks, pens & pencils, and the dreaded examinations, but our minds are expanding.

In this spirit, below are some fun brain teasers. They are all play on words. Give them a try, see if you can guess them all. This challenge may just inspire everyone to try new challenges every day!

## Administrator's Corner

June 2010

Warm weather is upon us and summer is just around the corner. The Lester maintenance team recently replaced all air conditioning filters to ensure your unit runs properly and efficiently. Now would be a good time to test the air conditioning unit in your apartment and ensure it is working properly. If you find that yours is not working as it should, please be sure to notify the Concierge so that it can be repaired in a timely manner.

This past month the first of the newly created JCHC University classes was held in Lester. Many residents were in attendance while Professor Alan Saltzman gave a great class on technology. Please review the Course Catalog attached to this newsletter to learn about future JCHC University classes. I hope you enjoy the course selection and that you take full advantage and attend all of the courses.

Earlier in May we welcomed Lilian Enamorado, the new CBMC Housekeeping Manager. Please continue to communicate housekeeping compliments and/or concerns to the Concierge, who in turn will relay that information to Lilian.

In June we have a number of events that I would like to point out. Firstly, on June 23<sup>rd</sup>, we will be providing transportation to Riverdale, NY for 'An Evening of Great Jewish Music'. There will be no cost to Lester residents wishing to attend this

event (a \$36 value) however, those wishing to make a contribution should contact me. Also, on Sunday June 27<sup>th</sup> we will be having our fourth annual Western Day Bar-B-Q. If you missed this event in previous years, I highly encourage you to attend. We plan to have live music and entertainment and fun for the entire family – please be sure to encourage your children, grandchildren and friends to attend as well!

As the temperatures outside are rising, many residents are taking advantage of the Lester outdoor spaces (the benches at the front of the building and the gazebo area in the back). I remind everyone to please be courteous to one another and share the space we have available. Also, if you like spending time outdoors and have a 'green thumb', please feel free to contribute and share your skill in the Resident Garden in the back of the building near the gazebo.

As always, please feel free to reach out to me with any questions, comments, compliments and/or concerns. I can be reached at 973-929-2747. You should also feel free to stop by the Administration offices if you would like to meet with me.

See you around the halls,  
Alex Gross  
Administrator

### Announcement:
