## Lester Lights

By E. Anne Lipman

Barely, three fourths of the way through January and we've already celebrated two new beginnings: the first on Sunday, January 2, 2011. Thanks to our Tenants Association president, Mildred Feldstein, who with helpers: Shirley Saland, and Elsie Shapiro, (am I missing anyone?) planned the enjoyable New Year's Brunch. David Aaron and associates entertained us, many resident danced to the lively music, a time of fun for both participants and spectators alike.

The brunch also provided a perfect opportunity to meet and socialize with ones friends, neighbors, and acquaintances. "What good is sitting alone in your room, Come hear the music play, Life is a cabaret old chum, Come to the Cabaret. Come taste the wine, right this way your table's waiting, Come to the Cabaret" From Cabaret.

We also extend our sincere thanks to Adel and his staff for their efficient and pleasant service. Our second new beginning on January 20th, the celebration of Tu B'Shevat, which defines the end of one growing season and the start of another, in Israel observed by sowing seeds and planting trees. We watched a video documentary "Grandpa's Tree" (loaned by Rabbi Polansky) depicting a young American student

traveling to Israel to perform a Tu B'Shevat concert. He also plans to locate the tree his grandfather had planted in a JNF forest over a half a century ago, a daunting task at best, considering the thousands of trees planted in Israel every year, his expectation is nothing short of a miracle. Following the film, Jessica kindly tempted us to indulge in snacks consisting of dried fruits: apples, apricots, dates, figs, prunes and nuts.

In the afternoon of Tu B'Shevat several residents accepted the invitation to celebrate Tu B'Shevat at the Hebrew Academy in Randolph. Welcoming us warmly, the staff and students treated us to a pleasant afternoon of songs, sketching, painting, and of course snacks. Yes they served us dried fruit, nuts, cheerios, carob chips, and pita, washed down with grape and pomegranate juice. How sweet life is! We assumed our child personas to sit beside students to draw and paint, and admire the almond trees that spring up now in Israel. We talked with and grew to know numerous delightful students, including Ann, Hannah, Joey and Orly. When Franco announced, "The bus will depart at 3:30 P.M." We sighed, loathing to leave this pleasant interlude, yet fearful that our coach may become a pumpkin.

## February 2011

We're a full month into the new year and I feel like the Lester New Year's Eve party was just yesterday! We're in the midst of a cold winter and have already had our share of snow. I'm sure February promises to give us more of both.

In February, we have a number of exciting events and programs planned that I feel would be appropriate to point out. Firstly, on Sunday February 6<sup>th</sup> we will have a Super Bowl party in the Lester Theater. Mitchell's famous BBQ Chicken Wings, snacks and beer will be provided and all residents and families are invited and encouraged to attend. Additionally, if you missed David Azarch's 'Drumming Circle' this past month, be sure to catch him again on the 9<sup>th</sup> and on the 23<sup>rd</sup> - he was a big hit.

I am pleased to share a few exciting updates. Firstly, starting this month we will begin an incentive program offering a \$1,000 rent credit to any resident who refers a friend (who doesn't already live in Lester) and moves in to Weston Assisted Living. Additionally, we are offering a special incentive to Heller residents who choose to transition to Weston. This incentive will be a \$500 a month rent credit for six months - totaling \$3,000. Both of these incentives won't last forever, so if they sound enticing to you, please speak with Joel Goldin as soon as possible. For full details and restrictions on these incentives, please speak with Joel Goldin; he be reached at 973-929-2725.

Over the course of the past two years, I've heard from a number of you who requested that guest meals be more

'affordable'. As such, Mitchell Goldberg has reduced the price of 'take out' guest meals to \$15. However, a guest who chooses to be seated, served and waited on will still have to pay \$25.

Lastly, I neglected to mention in my January article that from Jan. 16<sup>th</sup> to the 21<sup>st</sup> National Activity Professionals week was celebrated. This week celebrated the hard work and devotion of the Activity department. Jessica, Suzy and Bibi spend countless hours preparing, planning and running activities for all Lester residents and deserve a special recognition for their dedicated and often underappreciated work. Please wish them a belated happy activities-professional week!

As always, please feel free to reach out to me with any questions, comments, compliments and/or concerns. I can be reached at 973-929-2747. You should also feel free to stop by the Administration offices if you would like to meet with me.

See you around the halls,
