Greetings from Bryna July 2013

Summer is finally here! If you find yourself spending time outdoors remember to apply sunscreen. The recommended SPF is 15 or higher; apply it 30 minutes before you leave the house. You can also protect yourself with a hat or an umbrella. Both will protect your skin and keep the sun from beating down on your head.

**Big thanks to Ali, Assistant Superintendent for cleaning the windows, inside and out!
From all accounts he did a great job.**

When the renovation of the community bathrooms started, it became apparent that we had some plumbing problems. Until we resolve these issues the Community Room is closed.

We apologize for the inconvenience and we will keep you updated.

We will have a Grand Reopening Celebration of the Community Room when the remodeling is finished.

Have a wonderful July 4th!

**If you have any questions or concerns, please let me know.
Our door is always open or you can call me at my new number 973-530-3950.**
