## Residents have a hand in Annual Dinner and received a hand!

The Jewish Community Housing Corporation of Metropolitan New Jersey held their 2016 Annual Board Meeting and Dinner on June 20, 2016 at the Crystal Plaza . This event was made special by the creative hands of the residents who reside in our communities. Roberta Zweifler, Committee Chair and board member, expressed her gratitude for the residents that helped make the night a success.

Sunday, June 19, the residents of Lester, under the guidance of Megan of Arts By The People, created 14 beautiful floral arrangements for the tables. Each floral arrangement featured photos of the residents from all 4 buildings. The floral arrangements were then provided to each community to enjoy.

The night of the event, the JCHC Choir delighted the crowd with a series of songs, depicting the day at a summer camp. With the use of baseball caps, tambourines and dancing the 'hokey pokey', the choir encouraged the guests to join in and sing.

An impromptu musical interlude happened and several residents danced to songs by Frank Sinatra.
