Metropolitan New Jersey
Hazard Communication Program
Material Safety Data Sheets (MSDS)
Bloodborne Pathogens Plan

Orientation Training

NEW HIRE: _____

Date of HCP Orientation: _____

JCHC Building: _____

Department: _____

Please check off each area that was discussed with employee:

- An overview of OSHA Hazard Communication Standards.
- Location of the MSDS Binder.
- How to read labels and review MSDS to obtain hazard information.
- Physical and Health risk of these hazardous chemicals and first aid measures (if any)
- How to reduce or prevent exposure to hazardous chemicals through the use of control procedures, work practices and personal protective equipment.
- Steps the company has taken to reduce or prevent exposure to hazardous chemicals.
- Hazardous chemicals present at his/her workplace.
- Sign off of Review of MSDS Binder for employee's department
- Bloodborne Pathogens Exposure Control Plan

I have completed the Hazard Communication Program Orientation Training.
