Dear Residents, Families, Responsible Parties and Staff,

I am writing to notify you that on November 18, 2020, we have one (1) new confirmed Covid positive asymptomatic employee at Heller Independent Living. This employee occasionally had responsibilities in Weston Assisted Living.

Thank you in advance for understanding that while we are doing our best to control any employee or resident from having COVID-19, a case may unfortunately happen on occasion. We continue to follow and enforce infection control practices and initiatives, including weekly testing of staff to reduce the chance of an outbreak.

We will continue business as usual, however, this will unfortunately effect indoor visitation. We will need to wait another two rounds of negative testing before that can occur. This process takes approximately three weeks to finalize. If you should have any questions or concerns, please call me. I will do my best to return your call than within 48 hours.

Sincerely,

Anna Burke
