Dear Weston Residents, Families, Responsible Parties and Staff,

I am writing to notify you that on October 19, 2020 we had one (1) new confirmed Covid positive asymptomatic employee at Weston Assisted Living. Consistent with our pandemic protocols, that employee is not working at the building and has been instructed to self-quarantine.

The Lester Senior Housing Community continues to follow and enforce infection control practices and initiatives, including weekly testing of staff to reduce the chance of an outbreak. Given that this is a single case, we will continue with business as usual, including supervised visits and small group activities.

If you should have any questions or concerns, please call me. I will do my best to return your call within 48 hours.

Thank you.

Sincerely,

Anna Burke
