Dear residents and loved ones,

This past week, thankfully, has been uneventful in relation to COVID-19. This allows us to move from Phase zero (0) to Phase one (1) of our re-opening plan. The difference here at Weston will be larger activity groups and we will begin to prepare for indoor group dining as we move into phase 3. We continue with precautions and infection control techniques which will help us to proceed to this phase within the next four (4) weeks or so.

The residents continue to enjoy outdoor visitation as the weather is fully cooperating. The highlights of our outdoor activities this past week have included outdoor dining, a donut truck with fresh baked kosher donuts and an ice-cream truck. Many residents participated and enjoyed immensely.

To wrap up Assisted Living Week the residents made hand-made soaps for the staff to enjoy. Thank you for continuing to bring joy to us.
