Dear Residents, Families, Responsible Parties and Staff,

Happy New Year. The purpose of this notice is two-fold.

First and foremost, we are glad to report there are no Covid cases this week amongst staff and residents.

Secondly, we are more than thrilled to report that we have received our clinic date for the COVID-19 vaccine. It is the Pfizer brand vaccine. Our first dose will be received at our in-house clinic on January, 22, 2021. Please mark your calendars for the second step of the vaccine which will be February 12, 2021. You must get your 2nd dose at the same clinic location that you received your first vaccine.

We will be in contact with you early next week to provide you with the consent forms that are required to get the vaccine. You must also provide us with a copy of your current insurance card and a copy of your identification (e.g. driver's license passport etc.). We will need these documents returned to us within 24 hours.

Please keep an eye out for the communication/distribution of forms.

Thank you very much for the quick response to the surveys!

Anna
