April 16, 2021

Dear Residents, Families, Responsible Parties and Staff,

I am writing to notify you that on April 16, 2021, we have one (1) new confirmed vaccinated Covid positive employee at Weston Assisted Living.

Thank you in advance for understanding that while we are doing our best to control any employee or resident from having COVID-19, unfortunately cases may arise on occasion. We continue to follow and enforce infection control practices and initiatives, including weekly testing of staff to reduce the chance of an outbreak.

There will be no changes to programming, dining or visitation at this time.

If you should have any questions or concerns, please call me. I will do my best to return your call within 48 hours.

Sincerely,

Anna
