Dear Weston Residents, Families, Responsible Parties and Staff,

We are glad to report there are no Covid cases again this week amongst staff and residents. The governor has come out with new guidance this week loosening up more of the restrictions in Health Care facilities.

I have listed below the most relevant changes at this time:

- In the dining room and activity areas if 100% of residents are vaccinated, residents do not have to wear masks and do not need to socially distance in these areas.
- Resident must continue to wear masks to and from these areas.
- Outside entertainers, lecturers, exercise professionals, etc. may now resume activities indoors and will be checked for vaccination status and/or will be tested before being allowed in the Community.
- Vaccinated Staff no longer need to be tested routinely.

Things that do not change:

- Rules regarding visitation protocols.
- Staff requirements for wearing Personal Protective Equipment.

Please refer to the New Jersey Department of Health website for complete guidance.

The Jewish Community Housing Corporation of Metropolitan New Jersey is an affiliated agency of the Jewish Federation of Greater MetroWest NJ.

PROPERTIES: Jewish Federation Plaza, South Orange B'nai B'rith Federation House, Village Apartments of the Jewish Federation and the Lester Senior Housing Community, including: The Martin & Margaret Heller Independent Living Apartments, the Judith & Josh Weston Assisted Living Residence and the Aresty Family Pavilion.
