June 18, 2021

Dear Residents, Families, Responsible Parties and Staff,

I am writing to notify you that on June 17, 2021, we have one (1) new confirmed Covid positive employee at Weston Assisted Living.

Thank you in advance for understanding that while we are doing our best to control any employee or resident from having COVID-19, unfortunately cases may arise on occasion. We continue to follow and enforce infection control practices and initiatives, including weekly testing of staff to reduce the chance of an outbreak.

There will be no changes to programming or dining at this time. However, visitation will need to occur outdoors at this time until our testing is completed and results are reviewed. If you have visitation planned there is no need to call. Your visit will simply occur outdoors.

If you should have any questions or concerns, please call me. I will do my best to return your call than within 48 hours.

Sincerely,

Anna
