August 25, 2021

Dear Residents, Families, Responsible Parties and Staff,

I am writing to notify you that on August 25, 2021, we have one (1) new confirmed Covid positive employee at Weston Assisted Living.

Thank you in advance for understanding that while we are doing our best to control any employee or resident from having COVID-19, unfortunately cases may arise on occasion. We continue to follow and enforce infection control practices and initiatives, including weekly testing of staff according to regulation to reduce the chance of an outbreak.

There will be no changes to programming or dining at this time. However, visitation will need to be suspended at this time until our testing is completed and results are reviewed.

If you should have any questions or concerns, please call me. I will do my best to return your call than within 48 hours.

Sincerely,

*Anna*
