January 2, 2022

Dear Residents, Families, Responsible Parties and Staff,

I am writing to notify you that on January 1, 2022 we have one (1) new confirmed Covid positive resident at Weston Assisted Living.

Thank you in advance for understanding that while we are doing our best to control any employee or resident from having COVID-19, it may unfortunately happen on occasion. Please be advised this is not an outbreak. It is one single case. Lester Senior Residence continues to follow and enforce infection control practices and initiatives.

We will continue business as usual, including visitation. However, as Omicron continues to spread throughout the country, we ask that if you are experiencing any symptoms, including flu and cold-like symptoms, please refrain from visiting. I would also like to remind you that it is important that you sign in at the kiosk in the lobby. Not only do we use this for taking your temperature but for contact tracing.

If you should have any questions or concerns, please call me. I will do my best to return your call than within 48 hours.

Sincerely,

Anna Burke
Administrator
