Dear Weston Residents, Families, Staff & Contractors,

Since I last notified you, we have completed our first round of testing residents and staff. We have had one (1) positive resident. We have had four (4) positive staff members, the most current was today.

In working closely with the health department this seems to be isolated mainly on the memory unit where the resident tested positive.

We will continue to limit communal activities and dining on the memory unit until we have 14 days with no positive cases amongst staff or residents. However, on assisted living we will reopen to communal activities and visitation without appointments on Monday, January 10, 2022.

Please feel free to contact me at (973) 929-2747, if you have any questions or concerns.

Thank you,
Anna Burke
