Dear Residents, Families, Responsible Parties, and Staff

I am writing to notify you that we had nine (9) new confirmed Covid positive cases at Weston Assisted Living as of today. Due to this most recent case we are considered to be in outbreak status.

At this time, we will be modifying our activity schedule and meals will be delivered to the apartments at least until Monday July 11th. You may still visit your family member, however, we ask that if you are experiencing any symptoms, including flu and cold-like symptoms, please refrain from visiting. Please consider refraining from visiting if you are attending large events for 5 days proceeding. For example: weddings, graduations, BBQ's, bat mitzvahs, etc. I would also like to remind you that it is important that you sign in at the kiosk in the lobby. Not only do we use this for taking your temperature but for contact tracing.

Thank you in advance for understanding that while we are doing our best to control any employee or resident from having COVID-19, it may unfortunately happen on occasion especially after a holiday. Lester Senior living continues to follow and enforce infection control practices and initiatives.

If you should have any questions or concerns, please call me. I will do my best to return your call than within 48 hours.

Sincerely,

Stacey Wilbur  
Chief Operating Officer
