July 8, 2022

Dear Residents, Families, Responsible Parties, and Staff

I am writing to notify that since our last notice went out we had 1 more positive resident case and 1 staff case in Assisted Living. We also have 2 resolved cases, meaning one resident no longer tested positive. Due to these most recent cases we are still considered to be in outbreak status.

At this time, we will be modifying our activity schedule and meals will be delivered to the apartments at least until Wednesday July 13th. You may still visit your family member, however, we ask that if you are experiencing any symptoms, including flu and cold-like symptoms, please refrain from visiting. Please consider refraining from visiting if you are attending large events for 5 days proceeding. For example: weddings, graduations, BBQ's, bat mitzvahs, etc. I would also like to remind you that it is important that you sign in at the kiosk in the lobby. Not only do we use this for taking your temperature but for contact tracing. I would also like to remind you that if you choose to visit, you and your loved one must wear a mask especially if you walk in the corridors, lobby etc.

Thank you in advance for understanding that while we are doing our best to control any employee or resident from having COVID-19, it may unfortunately happen on occasion especially after a holiday. Lester Senior living continues to follow and enforce infection control practices and initiatives.

If you should have any questions or concerns, please call me. I will do my best to return your call than within 48 hours.

Sincerely,

Stacey Wilbur
