Dear Residents, Families, Responsible Parties, and Staff

I am writing to notify you that we have no new confirmed Covid positive cases at Weston Assisted Living since you were last notified.

We continue to ask that when you visit your family member, if you are experiencing any symptoms, including flu and cold-like symptoms, please refrain from visiting. I would also like to remind you that it is important that you sign in at the kiosk in the lobby. Not only do we use this for taking your temperature but for contact tracing. Please be reminded there is potential of being exposed to Covid here at Lester and in your own community.

Thank you in advance for understanding that while we are doing our best to control any employee or resident from having COVID-19, it may unfortunately happen on occasion especially after a holiday. Lester Senior living continues to follow and enforce infection control practices and initiatives.

If you should have any questions or concerns, please call me. I will do my best to return your call than within 48 hours.

Sincerely,

Anna Burke
Administrator
