May 25, 2023

Dear Friends and Families,

I wanted to update you on the status of the memory care unit concerning the COVID-19 cases. As of today, May 25, we currently have six active cases. All cases are mild, with the worst being a cough. Our Physician is closely monitoring all patients, and medications are in place. At this time, the residents are doing well. We will continue to follow and enforce infection control practices and initiatives, including placing the mask mandate back in place on the Assisted Living side of the building. All visitation on the memory care floor will occur in the resident's room for now. We will update families if there is any change in the condition of their loved ones and, of course, happy to answer any of your questions.

Thank you for your understanding and support. If you are feeling sick or experiencing allergy-like symptoms, we respectfully request you delay your visit. If you have any questions, please feel free to contact me directly at 973-929-2747.

Mandy O'Shaughnessy, CALA, CDP
