I wanted to take some time to update you on our COVID-19 status. As you know, we had seven positive cases on our memory care floor. I am happy to report that four of the seven original cases are testing negative today; two are doing very well, and one is possibly returning from the hospital today. So that is the good news. However, after a resident tested positive on the sixth floor, we did an entire test of that floor to find three additional positive cases, all asymptomatic. All families have been notified, and their physicians have been contacted.

With this news, I have to reactivate the mask mandate, so please, if you are planning to visit, a mask must be worn at all times while in the building. Please encourage your loved ones to wear a mask while traveling the halls. I have placed signs throughout the community as a reminder.

Please refrain from visiting if you are sick or have allergy-like symptoms. I will update everyone in the next few days. Thank you for your patience and support. If you have any questions, please feel free to call me direct at 973-929-2747.

Warm Regards,

Mandy O'Shaughnessy, CALA, CDP
